Hello Ginger, I spoke with Nancy Erdman at the Connecticut Farms School and she suggested I set up a profile on the District website. Neither of us knew what type of organization we should be classified as, (Type 0, II, III ,etc.). So I left that blank.

I understand you need to approve this profile set up. I will wait for your reply. Please let me know what type organization we are.

I will be requesting access to the paved playground area on Saturday afternoon, May 18th for a bike safety course in conjunction with the Township Municipal Drug Alliance. No need for building use, just looking for a paved area off the street. Thank you!

Thank you for Transforming Lives,
