Good afternoon, Colleagues –

The New Jersey Department of Education, Office of Supplemental Educational Programs has completed the review of the 2019-2020 Intent to Operate a Title I Schoolwide Program Applications submitted for the following district schools;

- Franklin Elementary School
- Burnet Middle School
- Union High School

Based on the review of the applications for the above listed schools, each school is granted approval to operate a Title I Schoolwide program during the 2019-2020 school year.

In order to maintain full Title I schoolwide approval status, each school must continue working with its respective stakeholder group to finalize its 2019-2020 Annual School Plan, which is accessed via the ASPS link in the NJDOE Homeroom at <https://homeroom.state.nj.us/>.

If you have any questions regarding this approval and/or the Annual School Plan (ASP), please do not hesitate to contact us at schoolwide@doe.nj.gov. We look forward to continuing to support these district schools as each transitions to a Title I schoolwide program for the 2019-2020 school year..

Thank you,

Title I Schoolwide Team
