Other program/service, please specify:

Note: Each newly proposed resource program, special class program and service must be located in a space that has been approved by the County Superintendent of Schools. Forms for substandard use are available in the county office. Facility approval must be obtained before approval of the request to establish a new program can be granted.

¹ Secondary resource programs are located in schools that contain any combination of grades 6 through 12, where the organizational structure is departmentalized for general education students.

² Secondary special class programs are located in schools that contain any combination of grades 6 through 12, where the organizational structure is departmentalized for general education students.

On a separate page, describe your request based on the following corresponding criteria/questions. Please check your forms for accuracy. Errors may result in denial and return for corrections.

To Establish a New Program/Service

1. Document the unmet student needs that will be addressed by the proposed program.
2. Describe the proposed program and explain how it will meet student needs:
 - a. Identify the **age range** and number of students to be served.
 - b. How will the Core Curriculum Content Standards be addressed?
 - c. How does this program address least restrictive environment?
 - d. What opportunities will be available for interaction with non-disabled peers?
 - e. State the number of professional and paraprofessional staff. For paraprofessional staff submit the locally developed job description and standards for approval (N.J.A.C. 6:11-4.6(c)).

To Eliminate a Program/Service

1. Provide a rationale for eliminating the program/service.
2. If the elimination of the special education program/service will result in a change to one or more students' current IEP(s), describe how the students' needs will be met. Indicate whether all IEP's of affected students have been amended with agreement of the student's parent(s).

I assure that the attached proposal to establish a new program/service is in accordance with New Jersey Administrative Code (N.J.A.C.) 6A:14, Special Education and N.J.A.C. 6A:26, Educational Facilities. (Attach the Board Resolution approving the establishment of the new program.)

Franklin Elementary School
(In-Class Support Program, Kindergarten)

1. The students IEPs will be reflective of the program placements. Their goals and objectives will be addressed in a less restrictive environment with proper supports and related services by providing the establishment of a Kindergarten Grade In-Class Support Program in Franklin Elementary School. Therefore, there are no unmet student needs.

2.
 - a. The age range in the Franklin Elementary School program is as follows: students aged 5-7 years of age. The class will have a maximum of 8 classified students.

 - b. The Common Core State Standards and the Core Curriculum Content Standards are addressed through instruction with the district adopted curriculum.

 - c. Establishment of this program allows students to remain in the least restrictive environment.

 - d. This class, per students' IEPs, will provide the opportunity for students to interact with non-disabled peers because there are general education students in the classroom.

 - e. One certified special education teacher is needed per class.
