Re: field Discussion

As we discussed, here are some points for your clarification:

1. Springfield had a long-standing agreement with the county for the use of Meisel field as a home field. Springfield would maintain the facility for almost exclusive use.
2. Around 1999, there was an environmental determination that closed the field for about 6 years. Subsequent renovations resulted in our use for one season and the field was condemned once again. We have not used it since and the county never renewed the agreement.
3. We then looked for help from surrounding districts. Several years ago, Ted Jakubowski and I reached agreement after our athletic directors worked on operational procedures.
4. As it stands, we retain all the gate receipts; Union retains all concession receipts.
5. We would appreciate continuation of our arrangement for the next school year.

Thanks for your help.
