## **Mission Statement**

The mission of the Township of Union Public Schools is to build on the foundations of honesty, excellence, integrity, strong family, and community partnerships. We promote a supportive learning environment where every student is challenged, inspired, empowered, and respected as diverse learners. Through cultivation of students' intellectual curiosity, skills and knowledge, our students can achieve academically and socially, and contribute as responsible and productive citizens of our global community.

## **Philosophy Statement**

The Township of Union Public School District, as a societal agency, reflects democratic ideals and concepts through its educational practices. It is the belief of the Board of Education that a primary function of the Township of Union Public School System is to formulate a learning climate conducive to the needs of all students in general, providing therein for individual differences. The school operates as a partner with the home and community.

## Course Description

Entrepreneurship is an important element for success in today's global society. This elective course, Business and Entrepreneurship, allows students to obtain and refine skills that focus on what it takes to successfully design, operate and lead a business within the 21st Century. Students will explore topics including operating costs, markets, needs vs. wants, demand, branding, marketing, persuasive and public speaking.
