Good afternoon,

Per our conversation, please see the following:

As the result of the Special Education state funding reduction of \$268,436.00, we will transfer this amount from the Private Out-of-District Tuition account. The rationale for this adjustment is to reflect three students who graduated or aged out and were attending OOD placements. The breakdown of the funds includes an estimated OOD placement cost of \$75,000.00 .00 for each student totalling \$225,000, plus \$43,436.00 for related services and transportation.

If you require any additional information, please let me know.

Many thanks,

Connie Krupa
