Hi Ginger,

I received your email from Ziser. My name is Brandin Thompson and I graduated from UHS in 2013. I now work for the Knicks at MSG. I am also a music artist striving to make history as the first artist to work at The Garden and perform there one day.

I have an idea for my next music video & would love to record at UHS at a time that doesn't interfere with students or classes. Ziser mentioned that you'd be the best person to coordinate this with. Please let me know if you have time for a brief call today to discuss more details.

I am hoping to record in areas that represent some of my fondest memories such as the auditorium, the gym, the football field, and a classroom if possible. Since I am an independent artist in the very early stages of my career, this video shoot is not for profit. I am requesting for all fees to be waived.

I appreciate your consideration and I look forward to your response.

Below you can find my contact information.
