

Burnet Middle School

BOE Presentation
February 18, 2025

What's Going on at Burnet?

- Beyond the Bell
- PBSIS
- Play Unified
- BMS PTA
- BMS PAC

BMS Beyond the Bell

- Beyond the Bell's mission is to help students achieve grade level proficiency in ELA and Math skills through small group instruction three days a week after school.
- Title 1 Coordinator identifies students in need of support by reviewing a variety of data, including NJSLA scores, IXL Diagnostic Snapshot data, course grades, and recommendations from teachers and or counselors.

BMS Beyond the Bell

- Students selected are then invited to participate in a six week session.
- Their growth is continually monitored and shared with the students and their parents/guardians.
- When possible, students are invited to additional sessions.

BMS Beyond the Bell

- Due to its success, BTB was expanded this year from supporting 80 sixth graders from November-April of last year, to over 200 sixth and seventh graders to date since October.
- This year's program will run until the beginning of May.
- We consistently see growth for 85%+ of our participating students.

BMS Beyond the Bell

23-24 School Year Growth

We served 80 sixth grade students from November through April.

ELA:

89% (39 out of 44 students) grew in their proficiency.

50% (22 students) grew by one full grade level or more.

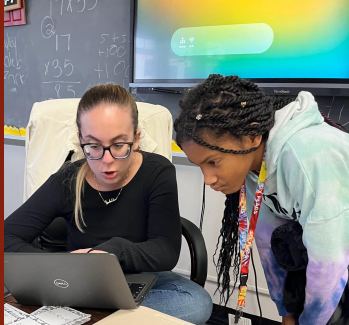

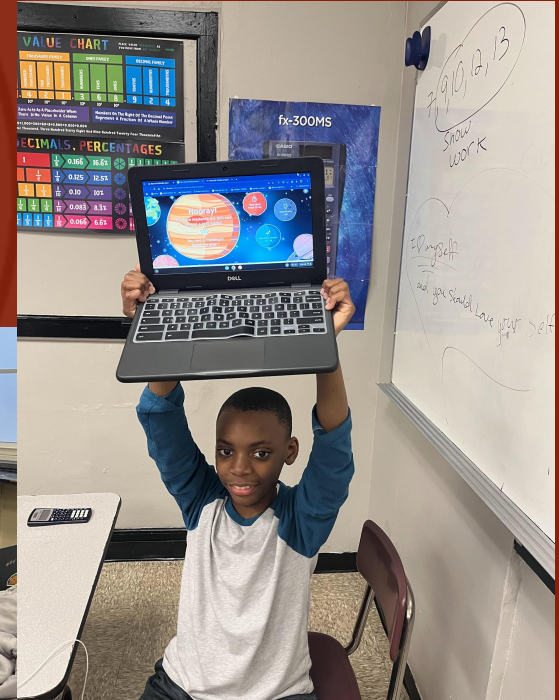

Math:

100% (67 students) grew in their proficiency.

79% (53 students) grew by one full grade level or more.

BMS Beyond the Bell

Beyond the Bell Success!

BMS PBSIS

New PBSIS Initiatives at Burnet

- **Teacher Snack Cart** - A surprise snack cart for staff on Monday mornings, recognizing and rewarding Burnet Bucks participation.
- **Burnet Blitz** - A quick and fun classroom challenge to spread school spirit and encourage positive behavior, tied to our Theme of the Week. Blitz announcements are made twice a week.

BMS PBSIS

New PBSIS Initiatives at Burnet

- **SEL Room – *Coming Soon!*** - A dedicated Social Emotional Learning space for students to reset, recharge, and develop essential coping skills.
- **Classroom Chargers** - In collaboration with PBSIS and Student Council, we provided chargers for each classroom to support student success and preparedness.

BMS PBSIS

School Store Collaboration

The PBIS Program has joined forces with the School Store managed by the Multiple Disabled Self-Contained Program. This collaboration presents students with multiple disabilities and learning needs with a hands on learning experience that extends beyond the classroom.

BMS PBSIS

School Store Collaboration

Students from the self-contained program gain valuable experience by managing the School Store, where they develop essential skills in:

BMS PBSIS

School Store Collaboration

- Real world life skills
- Practical job skills
- Social and emotional development
- Mathematical skills

UNION

Unified Champion Schools Play Unified Special Olympics

- Unified Sports joins students with and without disabilities together on the same team.
- Burnet Middle School has been awarded this grant for the past twelve years.
- Students meet every Wednesday during lunch (Buddy Lunch)

Unified Champion Schools Play Unified Special Olympics

- Students practice every Monday after school (Unified Practice)
- Students compete in both Unified Bowling & Track Events
- BMS will send 10 athletes to the State Level Special Olympics this year.

Unified Champion Schools Play Unified Special Olympics

- Yearly Torch Run with Union PD
- Overnight State Competition at TCNJ
