Re: Approval for Interpreter for Livingston School  
Date: June 7, 2012

I am resubmitting for Board approval the name of Monica Nativo Roriguez, the certified sign language interpreter, for parents who are legally deaf. Her services will again be needed for the upcoming school year, 2012/2013, for parent conferences and school activities for two children who attend Livingston School. The documentation for Mrs. Nativo Rodriguez was previously submitted when she was approved for the last two school years.

We are again requesting her approval with projected hours, day rate, at \$175.00 for two hours, not to exceed \$2400.00 for the school year. Her evening rate is \$175 for two hours, not to exceed \$350.00. She is waiving her traveling fees. We are also requesting that she be able to provide a team member from her company at additional cost to the district should an occasion arise where it would be so needed.
