

## GIFTED & TALENTE DENTRANCE CRITERIA AND PROCESS -GRADES K-5

### Kindergarten

- The gifted teacher will discuss definition of a gifted student with each Kindergarten teacher. All teachers will be given the rubric for bright vs gifted students. The gifted teacher will be looking for students who truly possess gifts and mental capabilities above and beyond their peers.
- The Kindergarten teachers will identify potential gifted students and will nominate them for eligibility into the program by using the Revised Renzulli/Hartman Teacher Checklist of Behavioral Characteristics of Gifted (K-5).
- GT teachers will observe and interview potential candidates randomly throughout the school year.
- A final selection of gifted kindergarten students will be made by the gifted teacher through their own observation and analysis. These students will be tested for gifted and talented at the start of the next school year.

### 1<sup>st</sup> Grade

Students will have 1 to 2 scheduled periods of gifted and talented classes per week.

- All students previously selected in kindergarten will be tested using the Torrance Test of Creative Thinking: **Figural TTCT®: *Thinking Creatively with Pictures*** and the Torrance Test of Creative Thinking: **Verbal TTCT®: *Thinking Creatively with Words***.
  - Students who receive a minimum passing score will be admitted to the program, beginning in the third marking period of that school year.
- By the end of the 1<sup>st</sup> marking period, the regular classroom teacher can nominate any 1<sup>st</sup> grader for evaluation into the gifted program.
  - All above-mentioned students will be evaluated using the Revised Renzulli/Hartman Teacher Checklist of Behavioral Characteristics of Gifted (K-5). They will then be tested using the Torrance Test of Creative Thinking: **Figural TTCT®: *Thinking Creatively with Pictures*** and the Torrance Test of Creative Thinking: **Verbal TTCT®: *Thinking Creatively with Words***.
  - After testing takes place, and the student has achieved the desired minimum score, the student's work from the 1<sup>st</sup> marking period will be analyzed by the GT teacher and a final determination of eligibility will be made by the GT teacher.
  - Students accepted into the program will begin at the start of the 3<sup>rd</sup> marking period.

## 2<sup>nd</sup> Grade

Students will have 1 to 2 scheduled periods of gifted and talented classes per week.

- Students who were previously enrolled in the 1<sup>st</sup> grade GT program may continue in the program if:
