**Re: Roof Replacement at Connecticut Farms Elementary School and Livingston
Elementary School
PSA No. 6866, 6867**

Mr. Vieira:

I have reviewed the bid package submitted by The Barrett Company, for the above referenced project. My review finds that the bid submission is in compliance with the bid documents.

The **base bid** is in the amount:.....**\$994,000.00.**

The **Alternate No. 1** is in the amount:.....**\$43,500.00.**
(Exterior masonry repointing at Connecticut Farms)

The **Alternate No. 2** is in the amount:.....**\$45,000.00.**
(Exterior stucco repair at Livingston)

It is my professional opinion and recommendation that the Union Township Board of Education award a contract to The Barrett Company with Alternates No.1 and No.2 in the total amount of **\$1,082,500.00.**

Once the board approves the project to proceed I will prepare the Notice to Proceed for the Contractor.

If you should have any questions, please do not hesitate to contact me.

Very truly yours,
