Re: Request to utilize Kawameeh Middle School parking lot for Union County Event, June 10-11

Ginger:

It was a pleasure speaking with you today regarding our request to use the Kawameeh Middle School Parking lot for Union County's 12th Annual Bio-Blitz to be held June 10-11 from 5pm-5pm.

As I mentioned the Bio-Blitz is an effort to find and identify as many plant and animal species within a survey area (in this case, Kawameeh & Black Brook Parks and Galloping Hill Golf Course) over a 24-hour period to gain a "snapshot" if you will of the area's biodiversity or species richness. Teams of volunteer scientists will help us to accomplish this goal and additionally many free nature-related programming and displays will be made available to the general public. We would like to use your school's parking lot to help accommodate participants if possible. Please place our request on the next BOE board meeting agenda in March. Thank you very much for considering our request.
