Approve an increase to PO#18-01213 with Mark P Faber, MD to provide Psychiatric evaluation services for the 2017 – 2018 school year from \$5,500.00 to \$9,350.00. This increase is necessary as a result of student need.

In the spring of 2017, when this service was board approved for the 2017-2018 school year, we had incurred eight evaluations. Therefore, the budgeted amount of \$5,500 which would allow for ten evaluations appeared reasonable. However, to date we have already required ten evaluations which represents a forty-three percent (43%) increase over last year.
