Family Workshop Event Proposal
Learning Together: Simple, Fun Ways to Boost Your Child's Success
2024-2025 School Year**

Up the Bar proposes a dynamic, interactive family workshop designed to engage families of multilingual learners in meaningful, fun, and educational activities that extend and support their children's learning throughout the year. This event will empower families with practical tools, strategies, and resources to make learning an enjoyable and enriching experience.

Objectives:

- Equip families with engaging, hands-on activities that reinforce language development and academic skills.
- Strengthen the home-school connection by fostering collaboration between educators and families.
- Boost family confidence in supporting multilingual learners through interactive demonstrations and discussions.
- Provide culturally responsive resources that celebrate and enhance multilingualism at home.

Event Structure: This family workshop will be a 2-hour interactive session featuring engaging stations, mini-demonstrations, and collaborative learning experiences.

By participating in this Up the Bar family workshop, families will leave feeling confident, inspired, and equipped with the tools needed to create meaningful learning experiences.

Cost to the district - \$1,500.00
