

TOGETHER WE CAN SAVE LIVES.

Union Township "Safe Schools" Sponsorship.

Help equip our fleet of 51 buses with new innovative STOP THE BLEED® belts developed by our own NJ State Troopers.

Join us in saving lives! Community Response & Mitigation has graciously trained our school staff, and now it's our bus drivers' turn. We're seeking community sponsors to equip our buses with life-saving STOP THE BLEED® belts. \$15,000 will provide 1 belt, with 4 kits, for each of our 51 buses.

**TRAIN, EQUIP & EMPOWER our community
and help sponsor this necessary cause!**

For more information on training please contact
