KMS Library – Books Recommended for Removal

Why These Books Are Being Removed:

- **List 1: Damaged Books (2025)**
These books are badly damaged and can not be repaired. They are not in good condition to stay in the library.
- **List 2: Old Books That Haven't Been Used (as of April 30, 2025)**
These books are more than 25 years old and haven't been checked out since 2005 or earlier. We need to clear them out to make space for newer books that students are more likely to use.

What We're Asking:

We're asking for approval to remove the books listed in the two attached lists from the library shelves.

Attachments:

- List 1: Damaged Books
- List 2: Old, Unused Books
