## District Dues

In areas where clubs are in a district, all students who are members of Key Club must pay international and district dues. (Members' international and district dues are paid to the club at their school.)

This can often include a fee for club activities or apparel. In nondistricted areas, clubs pay an annual fee for membership for all students in the club.

In July 2024, Key Club International's annual dues increased to US\$10 per member. Here are the dues amounts for each Key Club district in 2024-2025:
