Intro Comments:		Amounts In this column come from your audit (function 261) and are actual or simply based on a square foot allocation.		Amounts in this column are budgeted in function 261; total of all objects for each facility. This column will be reviewed by your auditor at year's end for compliance.		Amounts in this column are what you plan to do budget next year. This column should equal or exceed the required maintenance calculation from M-1. Unless you can support less!	
		NOTE: The Descriptions below should be consistent with "required" maintenance activities.					
		Items listed below are EXAMPLES only! Your school-level information is to match that which is "Actual, Budgeted, Anticipated" by year!!!
