The Township of Union Education Foundation requests the use of the foyer at Union High School for a ceremony honoring recipients of recently purchased bricks in the Walkway of Honor. The ceremony would be held on November 16, 2026 at 3:30 pm.

One of the bricks is in memory of Olivia Beloso, the UHS student who passed away in the car crash last spring.

Of course, all Board of Education members and administration would be welcome to attend.
