TRICK-OR-TREAT FOR UNICEF

The original Kids Helping Kids® campaign

Dear Club Advisor,

Every 11 minutes a baby dies from tetanus. Nearly 100 million women of childbearing age need protection from this painful but highly preventable disease. Money raised through Trick-or-Treat for UNICEF this year by Kiwanis-family members will once again support The Eliminate Project, a joint initiative of Kiwanis and UNICEF to eliminate maternal and neonatal tetanus. Your donation can help provide a series of three vaccine doses to protect a woman and her future newborns. Imagine the difference your club members' fundraising could make. Together, we can end this needless disease.

This Halloween, your club members have the power to save lives through Trick-or-Treat for UNICEF. You could raise funds door-to-door, host a trunk-or-treat, zombie walk, pumpkin smash, "Twilight" dance, haunted house... or come up with your own idea!

Additional boxes are available for the Kiwanis family through store.kiwanis.org. Contact The Eliminate Project campaign office at campaign@TheEliminateProject.org or +1-317-217-6213 with any questions.

Thank you for your dedication to students — and for empowering them to make a difference in the lives of children around the world.

PS. Every club that submits US\$250 or more by December 31, 2016, will receive a banner patch. Encourage students to aim for US\$1,000 and be recognized with a 1K Club banner patch for saving or protecting more than 333 lives. Ask your sponsoring Kiwanis club to match your fundraising so they can receive the Unity Award. Find details at TheEliminateProject.org/TrickorTreat.

Medical assistant Yayé Aissa Boubacar administers a tetanus injection to 18 year-old Amadou Saâotatou, 5 months pregnant, at the Saguia health centre in Niamey, Niger. This health centre has a team of 20 people, who in addition to providing immunizations, also provide prenatal consultation to pregnant women. They also organize outreach consultations in villages once a month to provide health care to women who live too far to access the health facility. Thanks to health workers such as Yayé, and thanks to the support by partners such as Kiwanis, Niger eliminated MNT in June 2016!

Unity Award: Partner with your sponsoring Kiwanis club to raise US\$1,000 (SLP club US\$500+, Kiwanis club US\$500+) and double your lifesaving impact. Visit the Recognition page for details.

Maternal and neonatal tetanus (MNT) is devastating, killing women and babies in the poorest countries of the world. But we can rock the world with hope. Key Club members are teaming up with the entire Kiwanis family and UNICEF to help save and protect women and their future babies around the world with The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus.

Through The Eliminate Project, the Kiwanis family will change the world. MNT affects many, many mothers and babies in the poorest countries of the world, and it's going to take the help of many, many people to eliminate it from the world.

Check out these fundraising ideas, goals, videos and more resources for you and your club.

FACTS:

- Neonatal tetanus kills one baby every eleven minutes—approximately 34,000 newborns every year.
- To eliminate MNT from the Earth, more than 100 million must be immunized to protect themselves and their future newborns. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more.
- It will take US\$110 million—and the dedicated work of UNICEF and every member of the Kiwanis family.

*GLOBAL SERVICE SOCIETY

The SLP Global Service Society recognizes clubs for the per-member average of their contributions within one year (October 1– September 30). A club's per-member average is based on total club giving, from all sources and methods by total membership. Recognition based on per-member average ensures that clubs of any size can be recognized equitably for their efforts.

- ◆ Gift packs and custom orders are available for clients, friends, family.
- ◆ Funds are released quarterly by check (accounts accumulated >\$50 to date) or by request.

An average coffee-drinking household will consume 2-3 bags per month

Frequently Asked Questions

1. Any fees, minimum commitments, or requirements to purchase coffee up front? None!
2. Do you offer "show and sells"? Yes! We can advise you on the best selling and selection of items.
3. What does your coffee taste like? We're a small batch roaster serving coffee fanatics that insist on the freshest and finest. Our main blends range in profile from medium roast "bright" to darker roast "full-body." We also have many single origin coffees that have subtle profile differences. If your group is interested, please email us and request a FREE sample!
4. How much can we expect to make for our group? In-person sales render the biggest fundraising dollars at 40% profit. Online sales receive 25% profit.
5. Do you sell ground, whole bean & K-kups? Yes, all are available!
6. How do we figure out how much we earn? This is all done for you, right down to the seller level. We have an order entry system that saves lots of time. You'll get a report with your invoice telling you who sold what and how much they raised.
7. How long after we place our group order do we receive the coffee? About 6-12 business days after all orders are entered for you to receive the products (1-5 days for store orders).
8. Is there a shipping cost? *FREE shipping* for orders with 50+ items to a commercial address (church, school or business). There is a surcharge *for residential delivery* of \$5.00 per box (50 items per box).
9. How does your pricing compare? Giving Bean coffee offers exceptional quality and value as a fundraising product. Comparable coffees (freshness being the exception) can be found at fine coffee shops selling for \$12.00 to \$16.00 per 12 oz. bag. Our price of \$12.50 includes custom labels, fresh roasting, and 40% profit for your group. Giving Bean is not a "hit and run" fundraiser product. We believe in delivering excellent quality at a fair value, enticing your supporters to return for more. That's what we're all about!
10. How soon can I start an order form fundraiser? Immediately! Just register and tell us when you would like to distribute the order forms (start date) and when you'd like to conclude in-person selling (end date). Online fundraising activates automatically and you'll receive a special link for your group.
11. What else do I have to do? Having a plan to get your group out to sell is very important. Goals, objectives and incentives for sellers do work when done properly (we'll give you some ideas). We suggest 2-3 weeks of selling time. Everything else is ready, (forms, selling instructions, order system, fulfillment, and reporting). We want you to succeed in motivating sellers to "get out there" and get started.
12. How do we receive the funds from online fundraising? Giving Bean sends out checks at the end of each quarter for groups with \$50.00 or more accumulated to date, or by request.

To start a Giving Bean fundraiser go to: www.givingbean.com/getstarted

We look forward to helping you raise the funds you need!
